7 IN THE SUPERIOR COURT OF THE STATE OF WASHINGTON
8 IN AND FOR KING COUNTY

9 In re the Detention of:

10 Order Declining to Detain Pursuant to
11 RCW 71.05.235(2)

12 Cause No. 14-6-_____-

13 The Court has reviewed the following:

- 14
- 15 • Discovery from the court of limited jurisdiction, _____, Cause No.
_____ and the Order of Dismissal;
 - 16 • The forensic report from WSH dated _____; and
 - 17 • Transmittal letter from _____, LICSW, of Harborview Medical Center
18 concluding Respondent does not meet the standards for involuntary civil commitment
19 and there is a reasonable less restrictive plan.

20 The court of limited jurisdiction dismissed the case because the court determined that the
21 defendant could not be restored to competency within the statutory time period. See RCW
22 10.77.088. That court has the jurisdiction to determine whether competency restoration can be
23 accomplished.

1 This court, pursuant to RCW 71.05.235 (2), is required to review the recommendation of
2 WSH and determine whether Respondent should be detained so that the prosecuting attorney
3 may file a petition for a 90-day commitment. Because the Respondent does not meet the
4 standards for involuntary civil commitment, there is no basis for determining that a hearing for
5 involuntary treatment should be commenced.

6 No hearing will be set, and the Respondent need not be detained for an additional 48
7 hours.

8 Dated this ____ day of _____, 2014.
